- Coded in groups using Git, and other version control systems.

Applied Geographics, Inc., Boston, MA

Jan. 2016 – April 2016

Network Administrator

- Set up and managed a Network Policy and RADIUS server used with 802.1x Wireless network protocols.
- Maintained Website Redirects and Website Analytics Reporting.

Projects & Research

Music Map (April 2017) – MusicMap.LaFronz.com

- Developed a Visualization of a Spotify user's library using D3, NodeJS, and Spotify's web API to create a new way for users to view their library items.

The Vault (Fall 2014)

- Designed, planned and implemented a command line Java based program that interacts with a SQL database for potential app implementation in a two-person team.

Battleship Prototype (Fall 2015) - [Github.com/lafronz/Battleship](https://github.com/lafronz/Battleship)

- Built the board game Battleship into a 1-player game in Assembly Language while working with 2 others.

Leadership

Wentworth Student Government

Sep. 2013 - Current

President – Elected by entire the student body to serve a 1-year term. Act as student liaison to Departments and Divisions. Preside over Weekly Meetings and create the agenda.

- Hosted regular Meetings with the Institute's President, Vice Presidents, and Associate Vice Presidents, to discuss ongoing and future campus and Student concerns.
- Advocated for more efficient ways to target events and engage underrepresented campus groups and commuters with Campus Administration.

Vice-President - Served as second in command. Worked with the Department of Public Safety on Student Related concerns, such as dark areas of campus, and general safety knowledge.

Academic Affairs Officer (Current) - Elected by the student body to work closely with our campus partners on issues revolving around class schedules, class options, and academic problems and changes. Worked closely with the Provost and Registrar.

Public Relations Officer - Increased engagement through posters and managed the Social Media accounts.

Wentworth Leadership Institute (Completed a 12-week Leadership seminar)

Mar. 2017

Wentworth Alliance

Aug. 2015 – Jan. 2017

- Ensure that a community at WIT has their needs meet and understood by administration, staff, and faculty.

Preferred Name Implementation

Oct. 2015 - Present

- Implement a Preferred Name Policy across Wentworth's intranet to ensure that over 4000 students, faculty, and staff can use the name that they identify with the most.
- Communicate with other Student Leaders throughout the College of the Fenway consortium, a collective of 5 other Colleges and Universities in the Fenway area of Boston.

Appointments

- Search Committees – Registrar, Director of the Center for Diversity and Social Justice Programs
- Wentworth Alumni Association Student Board Member
- Student Panels on Campus about all aspects of Campus Life and Campus Studies.
